## John Bryan State Park Hike With Troop 70

The troop is making a weekend out at the state park, and we are inviting Webelos and their adults to come join us for Saturday. This is one of a couple of events that we invite the scouts to visit our troop. We sum up the day at the world-famous Young's Dairy for ice cream and or milkshakes. It has proven to be a great time in the past.

## Marlie Lodge Winter Extravaganza Troop 70

The troop is making this a weekend and you are invited to camp with us Saturday night! We ask that the scouts come early in the morning to work with the troop to earn their Totin Chip (Learn to use and Ax, Saw and Knife in the SCOUTING way) during the day and play games and hang out for the weekend. The best part of this is the troop ADULTS do all the cooking and cleaning of the dishes, so the kids have more time to have fun. You will learn a little about winter camping, songs and skits for campfire. The older scouts may even try to earn the Polar Bear Award. But fear not, a warm cabin and bed are for the taking too.

Please feel free to ask any questions. TROOP 70 Meets on Monday Nights 7pm-8pm in the Basement of St. Thomas in Ft. Thomas KY
